

Endeavour Newsletter - May

Date of Endeavour Day & Industry Night

Thankyou to everyone who took the time to fill out the surveys. Due to the survey results & other factors the following dates have been decided upon and finalised.

Endeavour Exhibition – Wednesday 26th October, 10am – 4pm.

Endeavour Industry Night – Wednesday 26th October, 7pm – 10pm.

Put them in your diary now!

Photo Sessions

The photo sessions have been going very well and there have been some very creative props featured. Once the photos have been edited, we will email you your team photo for your own memento. If there is a problem getting all your team members/supervisors to your photo time, let me know ASAP

(n.muir@ugrad.unimelb.edu) so I can move your team to a better suiting time.

Website

Our website is now up and running. Check it out!

www.endeavour2005.com.au

Project Description

If you are late handing in your project description yet, DO NOT hand it to the general office. Instead email it to me, *see email address above*. We need your descriptions to upload to the website. The description you hand in is not necessarily the final version, we will accept updated project descriptions. This may be the case if the direction of your project changes throughout the year. If your group has not yet handed in anything yet, hurry up!

Sponsors

We are currently distributing sponsorship packages to various companies. If you have any connections to people to business and you think they would like to sponsor Endeavour2005 or sponsor a prize, please contact Shalini

(s.verma@ugrad.unimelb.edu.au).

Our Office

The Endeavour office is in the Masters Learning Centre (Rm 313) in the SEECS building. Pop in if you have a question or just for a chat.

Thankyou for taking the time to read this and we hope all your projects are going well.

Showcasing Tomorrow's Technology Today
