

Endeavour Newsletter – October

T-shirts!

Each student will receive a T-shirt. These are mementos of your final year project and are NOT to be worn on Endeavour day. On Endeavour day you will be wearing your snappiest business attire!

Last Day You Can Use the Project Lab – Friday the 21st of October

The project lab will be closed Monday 24th and Tuesday 25th October because the PCs and equipment will be getting ready (unlocking, tagging, packing) for the big move to Wilson Hall on the Tuesday. You will then have Tuesday afternoon and evening to prepare your exhibit for the following day.

What time can project teams move into Wilson Hall?

Tuesday morning will be spent moving the booths into Wilson Hall and then routing power and cables to each booth and then moving the computers in. The project teams will be allowed into Wilson Hall from **2pm to 8pm** to begin organising their projects. The earlier you come in to organise your booth the better.

If you are bringing your own PCs and require network access, please make sure they are DHCP enabled.

Project Posters

The final day you can submit your poster file to be printed in time for the exhibition at the Anatomy & Cell Biology printing centre is **Friday the 21st of October**. For help with your project posters, see the Project Poster Guide on the website or on the noticeboard in the project lab.

Endeavour Exhibition

Wilson Hall will open at 9am and **all** students must be there by 9:30am. The exhibition is open to the public from 10am to 4pm. During the day, your booth must be occupied by at least one team member. Those teams with one person will be given 'this booth is closed' signs to use when they go for lunch etc. 10% of your mark is due to your Endeavour booth presentation and appearance.

Endeavour dinner at INU Bar

The Endeavour exhibition will close at 4pm. The IEE and IEEE student branch are providing free dinner for the Endeavour2005 project teams at INU bar. Dinner begins at 5pm and finishes at 6pm. I know this is an early dinner, but it gives you time to get back to Wilson Hall and prepare for the industry night which begins at 7pm.

Endeavour Excellence Awards night

This is held on the evening of Endeavour day. It is an invitation only event and is attended by our industry sponsors and your supervisors. It is compulsory for you to attend.

7:00pm to 8:00pm – Exhibition viewing for industry invitees and judging of booths (your team must be at your booth for it to be judged!)

8:00pm to 8:45pm – Guest speaker and Presentation of prizes

8:45pm to 9:30pm – Final exhibition viewing

Final Project Report has been extended

The final project report is now DUE on **Monday 31st October at 4pm**. You need to submit **two** copies of your report to the general office. Thank you to Vo and Isaac for pushing the due date back.

Project Team Nominations

Don't forget to send in your nominations for the Endeavour Excellence Awards! They need to be returned by **Wednesday 19th of October**. Thank you for helping us identify the best projects and good luck!
