

## Endeavour Newsletter – September II

### 100 Word Project Description

We just can't wait to send the exhibition guide off to be printed. However, we need all the short versions (<100 words) of your project descriptions before anything can be done. Just email them to Ephraim ([e.mrad@ugrad.unimelb.edu.au](mailto:e.mrad@ugrad.unimelb.edu.au)) with your project code in the subject line ASAP.

### Last Day You Can Use the Project Lab – Friday the 21<sup>st</sup> of October

The project lab will be closed Monday 24<sup>th</sup> and Tuesday 25<sup>th</sup> October because the PCs and equipment will be getting ready (unlocking, tagging, packing) for the big move to Wilson Hall on the Tuesday. You will then have Tuesday afternoon and evening to prepare your exhibit for the following day.

### Equipment Forms

With all the teams and equipment that will be required for the exhibition, it is going to be very cosy in Wilson Hall on Endeavour Day. You should all be receiving emails confirming the results of your equipment requirement forms, if you have not received one by Friday 16<sup>th</sup> September please email Ephraim ([e.mrad@ugrad.unimelb.edu.au](mailto:e.mrad@ugrad.unimelb.edu.au)).

A preliminary floor plan of Wilson Hall showing where your booth will be located on the day of the exhibition should be available on the website Friday 23<sup>rd</sup> September.

### Endeavour Volunteers

We are currently recruiting volunteers for the Endeavour exhibition. If you know anyone (younger siblings at Uni, friends in other faculties) who would like to volunteer, please direct them to the 'university' section of our website for more info.

### Project Posters

For help with your project posters, see the Project Poster Guide on the website.
