- a) I acknowledge and understand that I am aware of the “Use of University Computing and Network Facilities” as set out in the Regulation R8.1.r7. These rules govern the use of all computing resources in the Department and the University of Melbourne, in addition to any rules imposed by the Department of Electrical and Electronic Engineering.
- b) I acknowledge that computer accounts authorised by the Department of Electrical and Electronic Engineering are issued solely for the purpose of my academic, research and work related activities in the Department of Electrical and Electronic Engineering.
- c) I agree not to disclose my password to anybody. Should my password become known to anybody else, I agree that I shall change my password as soon as possible and inform the Department’s Systems Administrator. (The Department of Electrical and Electronic Engineering will LOCK computer accounts which appear to be used by unauthorised users and the authorised user will need to see the systems administrator in the Department to assign a new password).
- d) I acknowledge that the University of Melbourne and the Department of Electrical and Electronic Engineering forbids the use of computing or electronic network facilities as a tool for gaining unauthorised access to other computing or networking systems.
- e) I will not use the computing and network facilities for the transmission of obscene, offensive or slanderous material by whatever means (including, but not limited to, electronic mail, electronic messaging, etc).
- f) I acknowledge that my files, keystrokes, electronic mail, electronic messages and activities on the computing and networking resources of the Department of Electrical and Electronic Engineering may be monitored directly or indirectly. (Users are encouraged to encrypt sensitive data, files and transmissions – the Department of Electrical and Electronic Engineering will endeavour to keep all systems as secure as possible, however this cannot be relied upon due to the insecure nature of passwords and some types of equipment).
- g) I acknowledge that I become an authorised user of the Department of Electrical and Electronic Engineering computing systems once the Department issues me with a username and assigns a password to my username, and I supply any other relevant information
- h) I will comply with all university and Department policies relating to the use of computing and communication facilities. I note that the University absolutely forbids the use of its computer facilities for a purpose which constitutes an infringement of copyright.
